The Honorable Stephen L. Johnson Administrator Environmental Protection Agency 1200 Pennsylvania Avenue, NW Washington, DC 20460

Dear Administrator Johnson:

I write to request an additional response to my letter of February 21, 2006, regarding the Environmental Protection Agency's (EPA) clean-up actions at the Beatrice Former Manufactured Gas Plant (FMGP) site in Beatrice, Nebraska.

On April 18, I received a response on your behalf from James B. Gulliford, EPA's Region VII Administrator. I appreciate Region VII's efforts to respond. However, this letter failed to address my fundamental concern: that the City of Beatrice be allowed to resolve their ongoing legal issues regarding the Beatrice FMGP before EPA issues a final determination of responsible parties.

I request that you respond personally to the specific concerns raised in my February 21 letter.

Thank you for your prompt response.

Sincerely.

work H.
